in a thoughtful and stimulating contribution to the current debate about the meaning to the larger society of multiculturalism gary okihiro explores the significance of asian americans in american history and culture in six provocative and engaging essays he examines the asian american experience from the perspectives of historical consciousness race gender class and culture much talk these days revolves around the idea of the mainstream about the core of american history and culture and about the dangers of straying from the original formulations that have made this country great pluralism and diversity many argue only

serve to divide and fracture the nation the core rooted in western civilization and the canon of great books must be recovered and preserved and those on the margins most notably racial minorities must be absorbed into the mainstream or so the argument goes margins and mainstreams argues that the core values and ideals of the nation emanate today not from the so called mainstream but from the margins from among asian and african americans latinos and american indians and women those groups in their struggles for equality have helped to preserve and advance the founders ideals and have made america a more democratic place for all while exploring anew the meanings of asian american social history the book reexamines the intellectual foundations and assumptions of the field of asian american studies it exposes the dominance of eurocentrism and other hierarchies in the major theories that inform the field it contextualizes the asian american experience with that of african americans and latinos and it advocates the intellectual convergence of asian asian american and african american studies

systematic and concrete prescriptions for strengthening america s alliances in the asia pacific region unlike the new and largely peaceful europe the asia pacific region is fraught with old instabilities and new risks as well as opportunities america s asian alliances face an arc of potential instability from the divided korean peninsula in northeast asia to the nuclear confrontation between india and pakistan on the south asian subcontinent to an unstable indonesia in southeast asia the united states and its allies must also address the rise of chinese power slow the spread of nuclear and high tech conventional weapons maintain access to energy resources and expand the world free trade system in this book nine distinguished us and australian strategists present systematic and concrete prescriptions for strengthening america s asian alliances these policy driven chapters address the roles that the us japan us south korea and us australia alliances can play in ensuring long term stability and prosperity in the region

through a series of essays poems and comics bestselling authors journalists tv and film writers and industry leaders give voice to moments that defined them while shedding light on the immense diversity and complexity of the asian american identity adapted from jacket

across the pacific explores in descriptive and critical ways how transnational relationships and interactions in asian american communities are manifested exemplified and articulated within the international context of the pacific rim in eight ground breaking essays contributors address new meanings and practices of asian americans in the global transformation of the post civil rights post cold war postmodern and postcolonial era

a comprehensive survey asian american history places asian immigration to america in international and domestic contexts and explores the significant elements that define asian

a new history of asian america is a fresh and up to date history of asians in the united states from the late eighteenth century to the present drawing on current scholarship shelley lee brings forward the many strands of asian american history highlighting the distinctive nature of the asian american experience while placing the narrative in the context of the major trajectories and turning points of u s history covering the history of filipinos koreans asian indians and southeast indians as well as chinese and japanese the book gives full attention to the diversity within asian america a robust companion website features additional resources for students including primary documents a timeline links videos and an image gallery from the building of the transcontinental railroad to the celebrity of jeremy lin people of asian descent have been involved in and affected by the history of america a new history of asian america gives twenty first century students a clear comprehensive and contemporary introduction to this vital history

with overview essays and more than 400 a z entries this exhaustive encyclopedia documents the history of asians in america from earliest contact to the present day organized topically by group with an in depth overview essay on each group the encyclopedia examines the myriad ethnic groups and histories that make up the asian american population in the united states asian american history and culture covers the political social and cultural history of immigrants from east asia southeast asia south asia the pacific islands and their descendants as well as the social and cultural issues faced by asian american communities families and

individuals in contemporary society in addition to entries on various groups and cultures the encyclopedia also includes articles on general topics such as parenting and child rearing assimilation and acculturation business education and literature more than 100 images round out the set

published to commemorate the fiftieth anniversary of the passage of the united states immigration and nationality act of 1965 that has remade our nation of immigrants this is a new and definitive history of asian americans written by one of the nation s preeminent scholars on the subject but more than that this book presents a new way of understanding america itself its complicated histories of race and immigration and its place in the world today provided by publisher

this book examines the effects of the terrorist attacks on new york and washington of 11 september 2001 on america s human rights and counter terrorism policies towards a number of countries in asia five countries have been chosen for examination divided into two front lines states pakistan and uzbekistan two second front countries indonesia and malaysia and a third front country china the paper also looks at changes in us domestic legislation and its treatment of prisoners at guantanamo bay and elsewhere in order to analyse the extent to which the us promotion of an external human rights policy might also have been compromised by its own legislative changes as a result of the struggle against terrorism the paper concludes that the attacks on us territory overall have constrained america s willingness and capacity to promote an external human rights policy with respect to these five countries however some attention especially at the rhetorical level to these countries human rights records has been retained to differing degrees among the five states this degree of difference is not explained entirely in reference to a country s perceived centrality to the struggle against terrorism it depends on the extent to which the us executive and legislative branches are united either singly or in combination in their disapproval of a state s record or in their understanding about how best to reach the policy goals that are sought

for undergraduate level courses in introductory asian american studies or any course focusing on asian americans combining the rigor of scholarship with the accessibility of journalism this text examines the contemporary history culture and social relationships that form the fundamental issues confronted by asians in america today comprehensive authoritative yet concise it focuses on a broad range of issues and features a unique comparative approach that analyzes how race class and gender intersect throughout the contemporary asian american experience

with more than 240 primary sources this introduction to a complex topic is a resource for student research

this book sheds light on experiences relatively underrepresented in academic and non academic sport history it examines how asian and pacific islander peoples used american football to maintain a sense of community while encountering racial exclusion labor exploitation and colonialism through their participation and spectatorship in american football asian and pacific islander people crossed treacherous cultural frontiers to construct what sociologist elijah anderson has called a cosmopolitan canopy under which asian americans pacific islanders and people of diverse racial and ethnic identities interacted with at least a semblance of respect and equity and perhaps a surprising number of asian americans and pacific islanders have excelled in college and even professional football before the 1960s finally acknowledging the impressive influx of elite pacific islander gridders who surfaced in the late twentieth and early twenty first century it is vital to note as well the racialized nativism shadowing the lives of these athletes

this volume an introduction and guide to the field traces the origins and development of a body of literature written in english and in chinese

how did the u s get involved in vietnam why do filipinos have spanish names what is the origin of the fortune cookie most americans are woefully uninformed about their country s history and most standard history books provide very little information on the rich history of the asian american people this text fills that void with a lively question and answer format

based upon papers presented at the 1992 association for asian american studies national meeting these essays explore asian american diversity and race relations and issues of representation they contribute an interdisciplinary approach to asian american studies from the perspectives of academics writers and poets and activists the anthology as a whole challenges dominant institutions expands the scope of asian american studies and invites hope for the future aspirations of the discipline

focuses on the 19th century transformation in san francisco from gold rush to earthquake to show how the city s diverse residents created a modern american city through everyday cultural frontiers such as restaurants hotels and annual fairs and expositions among others

since the 1950s and the advance of urban renewal local governments and urban policy have focused heavily on the central business district however such development has all but ignored the inner city neighborhoods that continue to struggle in the shadows of high rise america this analysis of urban neighborhoods in the united states from 1960 to 1995 presents fifteen essays by scholars of urban planning and development together they show how urban neighborhoods can and must be preserved as economic cultural and political centers
